

iPhone X-Style Default Wallpapers

AI Generated Badge

“ If I want an iPhone X-style default wallpaper from Unsplash, Pixabay, or Pexels, what keyword should I search for?

To find wallpapers on Unsplash, Pixabay, or Pexels that mimic the iconic iPhone X default style, search for "abstract fluid gradient", "liquid wave background", or "holographic smoke".

Best Search Keywords

Abstract fluid gradient

- Abstract fluid gradient: Captures the smooth, multi-colored color blending.

Liquid wave background

- Liquid wave background: Finds the flowing, organic shapes characteristic of iOS wallpapers.

Holographic smoke

- Holographic smoke: Yields dark backgrounds with vibrant, swirling neon accents.

Chroma texture

- Chroma texture: Drops you into high-contrast, metallic, and reflective color distortions.

Iridescent silk

- Iridescent silk: Provides softer, high-fashion fabric curves with a pearlescent sheen.

Filter Tips for Best Results

- Orientation: Set the search filter to "Vertical" or "Portrait" so you do not have to crop landscape photos.
- Color Filters: Choose "Black" or "Dark" alongside vibrant colors like pink, blue, or purple to mimic the high-contrast OLED-optimized look.
